

## What's in a name?

We have some funny names for things – Ash Wednesday, Maundy Thursday and Good Friday which actually doesn't seem very good at all. So over Easter this year we are going to unpack some of the names we have for those special days.

At the start of the year we are going to look at Paul's great letter to the Galatians and earth a lot of what we discovered during 2017 in this powerhouse of freedom and joy. It will also lead us into our verse for the year reminding us that God fills us and equips us with his Holy Spirit.

Then on the first Sunday's of every month, when Alwalton has a Family Service, we will be looking at how Jesus described who he was and what he had come to do in his "I am" sayings.

Lots to brighten up the first part of this year as we head towards the wonder of Easter itself.
